

# ONE PAGE, PERFORMANCE MANAGEMENT TOOLS

EMPLOYEES WILL  
WANT TO USE

*Tired of chasing your employees to set goals?*

*Using a long performance appraisal?*

*Want employees to drive their own performance?*

## How the System Works - The Tools:

- Provide everything you need to manage employees.
- Integrate with your existing software.
- Can be customized for your organization.

## Why Will Managers & Employees Like the Tools?

- All tools are so simple, they require no training.
- They are relevant and ensure supervisors & employees talk about the things that matter most.
